Personal Statement

Multi-disciplinary producer that merges product marketing and team leadership experience with visual storytelling and content production. Throughout all of my work, I do not put one art form over the other and instead combine these practices to create a conversation between subject and form and deliver concise and clear messaging.

Professional Experience

WPP Production - Onsite at Apple

Lead Image Content Producer, Print - DECEMBER 2024 - PRESENT; SUNNYVALE, CA

- Oversee Print Content Production for Apple Marcom campaigns, leading all production and asset distribution for new product launches and initiatives across US and Global identity and partner channels.
- Manage daily production support for all client asset requests, including enforcement of quarterly production scope and timelines and allocation of budgets based on all client directives and project needs.
- Execute all administrative responsibilities for Print Content, collaborating with WPP Production leadership to develop training initiatives, define roles and responsibilities, and establish individual and company goals.
- Develop and execute scalable production processes and workflows, client initiatives, and tool implementations.

Image Content Producer, Print - JULY 2022 - DECEMBER 2024; SUNNYVALE, CA

- Manage end-to-end content production process of Print and Digital deliverables for Apple Marcom campaigns throughout US and Global regions, tracking all production files and deliverables for the client.
- Oversee production scope on a quarterly basis, using internal tracking tools to execute client marketing strategy and enforce release deadlines throughout production with internal and vendor partners.
- Collaborate cross functionally with Apple Marcom producers to develop production standards and guidelines for final deliverables and worldwide distribution.
- Develop team training modules to streamline the production for client scalability and growth, in collaboration with Apple Marcom and WPP Production leadership.

Trove

Photography Supervisor - APRIL 2022 - JULY 2022; BRISBANE, CA

- Oversee end-to-end process of photography studio production for partners' digital re-commerce storefronts, including Patagonia, Arc'teryx, Levi's, Eileen Fisher, Allbirds, and Lululemon.
- Manage daily production studio flow by forecasting asset throughput and coordinating with internal teams and external vendors to meet quarterly goals and KPIs.
- Maintain all studio assets and project documents in Asana, Google Suite, Looker, and internal DAMs, assigning and monitoring tasks for production team and leaders.
- Collaborate with senior leadership to scale operations for future partner scalability and production growth.

Senior Product Photographer - NOVEMBER 2020 - APRIL 2022; BRISBANE, CA

- Photograph and style 2,000+ products per month for partner online re-commerce storefronts, clients include Patagonia, Arc'teryx, Levi's, Eileen Fisher, Allbirds, and Lululemon.
- Maintain studio equipment, schedules, and photo workflows to ensure quality and efficiency while meeting quarterly goals throughout daily production.
- Develop studio standards, partner style guides, and SOPs to improve production processes and ops technology.
